

Story and Craft Time at the Children's Reading Room 11am-noon

Our Mission

Through engagement with families in an inclusive community space and distribution of children's books free of charge, our mission is to enhance literacy skills and family wellness, and to promote a lifelong love of reading.

210 Silvercreek Pkwy N, Guelph
(entrance at the back of All Saints Lutheran Anglican Church)
www.childrensreadingroom.org

Bring your pre-schooler (or, on PD Days, your elementary school-aged child) to the Children's Reading Room, to hear stories about animals, and to create your own craft, based on the animal the story is about!

Where possible, the authors themselves will be present to read their story.

The craft portion for these sessions is sponsored by Saplings, a branch of One Thousand Trees.
